

Private Dining

The Menu

Owner/Chef Donald Wilson has created a stunning array of Modern American Cuisine concepts for your private dining event of 15 or more guests. While these are Chef Donald's recommendations, all menus can be further customized to address special dietary or culinary needs.

The Process

After working with Landon's General Manager to determine the event date, menu and any additional needs, the event host will execute a *Special Event Agreement* and submit a 25% deposit to secure their event date. The event deposit is refundable at 100% if the event is canceled prior to 14 days before the event, refundable at 50% if the event is canceled prior to 10 days before the event and non-refundable if the event is canceled within 7 days of the event.

5 days before the event, the General Manager will contact the host to review the event order. During this discussion, the host has the opportunity to submit their final headcount, make any updates to the menu and address any special requests.

After this date, the event is considered final and menu substitutions will not be accepted.

On the day of the event, Landon's will ensure the event space is set-up 1-hour before special events is scheduled to begin. Event service will begin 15-minutes after the event is scheduled to begin.

During the event menu substitutions will not be accepted.

At the conclusion of the event, the host will be responsible for settling the balance due on the event agreement (including balance on per person total, gratuity and tax). The balance will be submitted on a single bill and should be settled by Cash or a single Credit Card.

All prices and offerings are subject to change
